PROFILE

A budding art professional that thrives on collaborative storytelling. Has experience and interest in character design and development, as well as story illustration in a variety of genres and methods.

EXPERIENCE

Freelance Illustrator, Self-Employed — 2016 — Present

Utilizes interpersonal skills and social media presence to gain a steady flow of clients. Projects range from small icon illustrations to full-scale picture books, and anything in-between. Corresponds with clients at several points of development to further guarantee their satisfaction.

Social Media Management, Self-Employed — 2016 — Present

Boasts a 25,000+ following across Instagram, TikTok and Twitter. Engages social media accounts with individualized care to cater towards each specific audience.

Color Assistant, Diamond 20 — 2022

Assisted illustrator Kyle Latino by flattening his character art for TTRPG Diamond 20, co-created by Latino and Evan Torner. Flattened a total of twenty-two character illustrations on a tight turnaround to meet expectations.

Webcomic Illustrator, Self-Employed — 2021

Published GRIN REAPER on Webtoons and Tapas, updating one fully-colored page a week for six months. Completed one full chapter, containing 20+ pages.

Design Intern, SS Market — 2020

Located in Edwardsville, IL — Used Adobe Illustrator to create custom logos by order. Created 2-3 vector designs a week to be printed on shirts or laser-engraved on a number of items in-shop.

Barista — 2018 — Present

Worked as a barista throughout the years, working for Indianapolis coffeeshop *Pearings*, and for both Books-A-Million and Starbucks in Edwardsville, IL.

EDUCATION

Indiana University-Purdue University Indianapolis — Graduated May 2022
BFA in Drawing and Illustration from Herron School of Art + Design
